

PI Industries join hands with Government to fight COVID-19 crisis

Gurgaon, April 13, 2020

PI Industries Limited (PI), a company with an integrated approach to Agri sciences business, announced multiple initiatives to support fight against COVID-19 pandemic including:

- Support to the local administration in fast and efficient sanitization of large areas by deploying services of **hi-tech Japanese farm spray machines** free of cost in nearly 50+ locations so far , spanning across the states of Andhra Pradesh, Telangana, Rajasthan, Gujarat, Haryana, Delhi, Punjab and further working to see how we can support others.
- **Manufacture and distribution of ~45000 sanitizers** so far in the neighboring communities around PI's operations.
- **Using mobile Medical Units 24x7 in 64 villages of Jambusar, Gujarat** spreading awareness on the necessity of social distancing, hand-sanitization, conducting a thermal screening and distributing masks and other kits to villagers.
- **Distribution of over 10,000 food packets** so far to migrants and daily-wage labourers.
- **Continue to Support to contract workers** by continuing to pay their wages and arrange food and basic amenities for them during lockdown while ensuring COVID-19 prevention and containment protocol
- Committed a significant funds towards **arranging protective equipment for healthcare workers, testing kits and other infra support to government healthcare centers.**
- **We at PI continue to do to the best of effort and put resources as and when needed to support the government and society.**

Commenting on this Mr. Mayank Singhal – VC & MD PI Industries said, “We at PI are committed to play our role as a responsible corporate citizen in fight against this pandemic. As the crisis unfolds, our teams with an indomitable spirit have swung into action to support the Government and the community with innovative approaches while making the best use of our resources. We remain committed to provide help to most vulnerable section of our society impacted by this pandemic and facing significant disruption to their livelihoods”

Inspired by Science

About PI Industries Ltd. (PI)

Incorporated in 1947, PI Industries (BSE: 523642, NSE: PIIND, ISIN ID: INE603J01030) focuses on complex chemistry solutions in agri-sciences.

With strength of over 2,300 employees, PI Industries currently operates a strong infrastructure set-up consisting 3 formulation facilities as well as 9 multi-product plants under its 3 manufacturing locations. These state-of-art facilities have integrated process development teams with in-house engineering capabilities. The Company maintains a strong research presence through its R&D facility at Udaipur, where it has a dedicated team of over 250 scientists and chemists. The facility includes advanced research and development labs, kilo plants and pilot plants with NABL certification.

Over the years, the Company has successfully leveraged its capabilities across the Agri Sciences value chain by providing integrated and innovative solutions to its customers by partnering with the best. Its business approach is built on the foundation of trust, integrity and IP protection. PI Industries' has formed partnerships with leading companies globally where it provides solutions across the fields of research & development, regulatory services, manufacturing services, application development, marketing, distribution and customer connect initiatives.

Through its evolution, the PI Industries brand has brought value added offerings to millions of farmers in the country and across the globe thereby carving a niche position in the minds of the local and global customers. Some of the key strengths of the Company is its strong technical capabilities in the area of research and development, manufacturing services, brand building, strong distribution presence in India and customer connect initiatives.

PI Industries is geared to show accelerated performance backed by a combination of attractive opportunity and well-integrated capabilities given its partnership approach to business.
